A bright slightly breezy day. Nigel managed to land 11 carp all on paste for the impressive winning weight of nearly 63lbs. which is probably a club match record for Masons. Colin on the next peg had 2 carp, the largest weighing 11lbs and 19 8 0 of silver fish for his 38lbs, and Rowland managed 4 carp the largest was just under 10 lbs which he caught on pellet and worms backed up by just over 2lbs to take third.
