The temperature was slightly cooler than of late and the fishing was hard. Steve Pead managed four Carp, two on method feeder with pellet and two on pellet waggler and pellet for his winning net, he also lost four Carp on the pellet waggler. Sally was also broken up by a good Carp and only landed a small Roach to add to the combined total weight. Runners up John and Tina Larouche on the next peg both had silver fish nets with John landing four Crucians the best weighing exactly 2 0 0 for his near 10 0 0 bag of fish.
