Hassocks retained the Dick Herrington Cup after victory at Wildings this week. It was a lower turnout than usual for this match probably due to holidays, but everyone seemed to enjoy the day basking in the heat of yet another sunny day. The winner on the day was Steve Pead with 13 3 0 on end-peg eight, starting on the method feeder and hard pellet he landed a Carp in the first fifteen minutes weighing 7 3 0 and then caught a level 6 0 0 of Skimmers, Perch, Rudd and Roach on whip and maggot shallow. Runner up, Rowland Smith, fished method, worm and pellet landing three decent Skimmers and mixed silvers for his 7 12 0, close on his heels was Colin Ryall with 7 5 0 also landing two sizable Skimmers and silvers, but two descent Skimmers lost at the net proved costly. He fished whip and long pole with caster and hemp over ground bait.
