A very poor turnout saw only two competitors take part in the latest inter club match, which had a walk off to choose the swim. Rowland Smith drew number one and choose a swim just down from the weir, Steve Pead went the other end to the final peg and fished waggler all day for a nice net of fish for the winning weight of 8 9 0 on various baits. He had a decent Perch and some nice Roach. Rowland also had some nice Roach and Perch in his 4 14 0 mainly caught on pole and maggot.
