## **Match Overview**

Ice has covered the lake for the last week and for the 9th Leg of the winter series, anglers found less than a dozen possible swims. The overcast and cold day 3C, did not prompt many bites!!!!!

Winner Kevin Tree picked up a single carp of 10lb 1oz on a feeder with a Dumbell bait over 2mm micros fished towards the ice shelf.

With a single roach caught in the last minute Nigel Jackson picked up 9 points and a handsome payout for his catch.
