## Match Overview

Three anglers took part in the first and very stormy match for the summer series , but periods of sunshine did improve the spirits despite the odd heavy shower. Plenty of colour in the water and a choppy surface encouraged fish to feed.

Winner Lew Nightingale picked up a nice bag of bream, skimmers and roach taken on wafter with pellets and ground bait, picking them from a a few spots along the far bank.

Runner up David had three large skimmers , a nice perch and some plump roach , two skimmers caught on dead reds and corm using a cage feeder with dark ground bait laced with pinkie and caster, the third falling to a whip line along with a dozen roach. A carp was hooked on a small method feeder with wafter and pellet and played for 10 minutes before a hook length gave way.

Despite the wind, Steve caught steadily on pole and also had a large fish break off.

Please note:- the top car park has been partially cleared of building materials now and the track is still closed due to ground conditions and the access gate being relocated.

Next match:- 26th April at Decoy Lake
