On a very warm sunny day 19 anglers turned out for this interclub match which saw some good weights being caught. Top on the day was Hassocks Lew Nightingale who placed 108 11 on the scales all caught on pole and banded pellet. Second went to Seaford man Dave Hughes with 97 3 also on pole with meat and paste, third was

Keith Huggins who is currently on a great run here with 91 6 on pole with soft pellet and meat. The top seven from each club saw Seaford ahead of Hassocks by nearly 90 0 with the return leg next week at Piddinghoe boating lake so please book if you wish to take part.
