The latest round of the Husband and Wife at Wildings was a wet and windy affair with John Larouche leading the way with Five decent skimmers and some small Roach for his 12 8 0 all caught on cage feeder and maggot, Tina managed 5 1 0 of small silvers on the pole to give them a comfortable victory. Sally Pead fished method feeder and wafers for five skimmers for 5 6 0 but unfortunately, she could not stop the Carp that nearly pulled the rod from her grasp which would of made the result a lot closer. Steve persevered with long pole and worm for just over 3 0 0
