Seven Carp were landed today with Kevin Tree landing three of them including one of 13 5 0 for his winning net of 22 4 0 all caught on the method feeder with micros and orange wafers. Runner up Steve Pead also used method feeder with liquidised bread with popped up bread for two Carp for his 11 12 0, third was Keith Huggins also with two Carp on the method feeder using wafers for 10 7 0. Ted Odell also hooked but lost two Carp which considering the cold-water temperature meant that the fishing was better than anticipated.
