28	NORMAN CRAGG	35	10	0	5

Eight turned out for this latest Robin Wallis charity match and Dave Larby managed to break the ton and also his number three section trying to stop these turbo charged Carp, he fished the pole all day with hard pellets. Runner up Keith Huggins regretted fishing with maggots for the first part of the match as he was bitted out with silver fish and when he changed to pellets to a island he caught Carp steadily but just fell short finishing with 86 5 0. Third was Nigel Jackson who fished his usual paste on the pole managing 72 8 0 but losing nearly as much on an under water obstacle which kept snapping him up. £40 0 was raised for the charity.
