The early birds were out again for the second round of the Willey Challenge Cup with another 6.00 am draw. Drawing favoured end peg seven Steve Pead enjoyed a great day catching consistently until the tide turned with half an hour to go.

Feeding caster and alternating between casters and maggots on the pole at seven metres he had some decent Roach up to 0 12 0 and some nice Chub to 1 8 0 a bonus Bream of just over 3 8 0 in his net of 14 10 0, he also lost a good fish in the streamer weed which brook his elastic. Runner up Darren Chilcott drew the same end peg one again and had ninety-four small Roach, Chub and Dace on the whip and also waggler shallow on maggots for 8 14 0, he also got broken whilst fishing the whip with a Carp not stopping on its way up the river. Third was Roger Bulman with a similar net of silvers for 7 2 0 fishing the stick float and white maggots.
