Tim Brightey made the most of a decent draw catching all day from the off from peg three, fishing the method feeder and wafers early on and finishing on the pole to land 74 8 0 and comfortably secure the win. Second from peg nine went to Dave Larby with a level 48 0 0 fishing identically to Tim finishing on the pole, third was Dave Morris from the next peg, he left it late to treble his weight in the last hour of the match catching on the pole and paste to finish with 39 9 0.
