There was a disagreement between several anglers and the owner's son before the match which led to four members deciding not to fish the match which dropped the anglers taking part to eleven at More House today. For the third match running at the venue Keith Huggins proved that he could win from most pegs on side winder and weighed in nearly 60 0 0 more than the runner up. Fishing peg 28 he took 138 9 0 to the scales fishing the pole all day rotating baits to keep the Carp feeding. Second was venue regular Bob Hoare on peg 38 also fishing the pole with 80 4 0 on soft and hard pellets, third from peg 50 was Dave Morris alternating between feeder and pole with hard pellets for 67 10 0.
