Keith Huggins made the most of end peg 10 in the latest interclub match against Seaford, landing three Carp on method feeder and wafers for 28 2 0. He also lost a further two but added a skimmer of 1 1 0 for his 29 3 0 which was enough to win the match. Second went to Seaford's Ricky Wilson who thought he had done enough to secure victory with two Carp for 23 10 0, the biggest weighing 13 8 0 and he also had 1 1 0 of silvers for 24 11 0 from peg 18. Third was Kevin Tree on peg 17 with a nice net of skimmers on the method feeder with wafers and micros on the feeder. It was good to see Kevin on his first match since his recent operation.
