The weights were lower than hoped for today at Stanbridge View, but the water temperature has dropped quite considerably over the last week. Coming out on top was Keith Huggins from peg 8, landing a level 43 0 0 on the pole and mainly meat. Runner up was Norman Cragg with 36 2 0 from the same swim that he won the last match at the venue, he landed all his fish on the method feeder and wafters again. Steve Pead just edged out Dave Larby by three ounces for third on peg 6 with 29 5 0, he had five Carp on the method feeder and wafter before switching to dead maggots down the edge for three more, these were backed up by 3 0 0 silvers.
